#### TASTING NOTES

This crisp, charming Pinot Grigio excites the senses. Fragrant aromas of lemon custard, pineapple and mellow summer fruits are followed by clean flavors of green apple, kiwi and pomelo. The mid-palate provides a lush sensation, and hint of mango in the mouth, before the juicy acidity leads to a kiss of minerality at the finish.

#### WINEMAKING NOTES

An early bud break on the vines in Lodi in the spring of 2014, followed by an intensely hot summer, resulted in an early and rapid grape harvest. Cluster sizes were small, causing intense flavors and exceptional quality throughout the region. All of the grapes used to make this wine were grown on a small, 27-acre estate vineyard in Lodi, California. This wine, made in a new world style, underwent a two-week, 50-degree, cold fermentation in stainless steel tanks. Following the fermentation process, the wine forwent secondary filtrations which resulted in a rich golden hue and preserved its full-bodied flavors and fruitiness.

#### ENJOY WITH

Appropriate for simply sipping or serving, this wine will also partner well with creamy cheeses, perfectly-ripened fresh fruit and distinctly-flavored foods such as grapefruit-avocado salad, smoked salmon and grilled fresh fish.
