1. Bozal Espadín-Barril-Mexicano Ensamble Mezcal

While single-varietal mezcals are prized by many mezcal aficionados, expect to see more ensambles, or blends, on the shelves. Similar to other spirits categories, these can offer greater consistency and sometimes better affordability. They can also be complex and interesting. This one offers a concentrated smokiness with hints of pine and menthol, like a campfire extinguished at the edge of a forest.
