[Link to Full Article](#)

There are few gin-based drinks that are more refreshing than a gin and tonic. Despite having only two ingredients (plus a citrus garnish), you still get a wide variety of flavors and sensations thanks to the assorted botanicals in the gin (and in some cases even the tonic).

Uncle Val's Botanical Gin

If you like Hendrick's, then you're going to like Uncle Val's for many of the same reasons. Cucumber, sage, and lavender all play roles, giving Uncle Val's a garden-y flavor that goes well with tonic. If you're something a little more verdant, there are two other iterations of Uncle Val's: Restorative, and Peppered.

UNCLE VAL'S / BOTANICAL GIN
