POINTS

Stone fruit is aromatic, while golden apple and peach notes are made tart on the palate by a squeeze of lemon. With bright acidity and a cooling mineral base, this bright, floral white shines.

WINEMAKER NOTES

The grapes were sourced from the D.O.C. Delle Venezie area, specifically in the river Piave region. Characterized by lighter alluvial soils and a temperate climate, these vineyards allow the grapes to ripen to their full potential while retaining acidity, freshness and complex aromas. Harvested between the end of August and the beginning of September, the grapes are destemmed and gently pressed before fermentation in stainless steel tanks. After fermentation, the wine is then matured on the lees to enrich its bouquet and enhance the structure of the body.

Once the wine is stabilized, filtered and refined it is then bottled.

FOOD PAIRINGS

This wine pairs exceptionally well with lighter fare such as seafood antipasti, risotto primavera with fresh vegetables or a healthy portion of sushi. It can also be served as an apéritif alone or alongside a cheese board.
