POINTS

"Lifted acidity walks a high wire for a delicate, pretty, fresh and feminine wine. This is Gehricke at its best: a Springtime rush of red fruit and flower with a dot of white pepper and vanilla bean at the end of the path."

THE TASTING PANEL July 2016

Winemaker Notes

Simple and alluring aromas of ripe plum and light red cherry entice the nose. On the palate, this delicate wine is bright with sensational flavors of raspberry and rhubarb. An elegant and soft wine. The barrel aging in French Oak has a moderate influence showcasing slight hints of vanilla on the long pleasant finish.
