Cedar + Salmon Cabernet Sauvignon 2015, Washington State

Every year I get to taste cabs from all over the world. If I had to pick one region or appellation that continues to impress me it would be Columbia Valley's Horse Heaven Hills in Washington State. The cabs coming from this AVA are absolutely stunning bottle after bottle. These cabs have excellent structure, great fruit and superb balance. This 2015 Cedar + Salmon is drinking fabulous now and showcases what this AVA is capable of delivering. The wine opens up with aromatics of cinnamon, black cherry and nutmeg notes. Lush flavors of black currant, blackberry, spice and dark chocolate fill the palate. Evolving layers of more flavors continue on the long finish.

Pair with: grilled rib eye, filet mignon, lamb burgers or with an aged cheddar.
