3 Badge Beverage in Sonoma, California, has launched Pasote Extra Añejo, a new luxury Tequila. Extra Añejo marks the fourth Tequila in the Pasote line, and is made from estate-grown blue agave that was baked, crushed, and fermented before being double distilled with spring and rainwater, then aged four years in Bourbon barrels. Part of the company's spirits division, 3 Badge Mixology, the brand is available in select markets, retailing at \$190. The Pasote line also includes Blanco, Reposado, and Añejo expressions.
