3 Badge Beverage Corporation, a leader in cutting edge and boutique wine and spirits négociants, has announced the addition of Guinigi wines.

The new northeastern Italian line is launching with two single-varietal bottles of Pinot Grigio and Prosecco. The collection honors the cultural roots of August Sebastiani, the proprietor while appealing to a modern palette with a crisp, clean flavor profile, low alcohol levels, and a refreshing acidity.

"Every sip of Guinigi evokes a sense of nostalgia for the verdant valleys and rolling hills of northern Italy," said fourth-generation vintner, Sebastiani. "My family has always maintained a deep connection to this region through its nuanced wines, and with Guinigi's bright fruit profile and food-friendly appeal, I'm thrilled to pay homage to the Italian wines my ancestors grew and enjoyed."
