### National Mezcal Day Interview with August Sebastiani - Bozal Mezcal

Today we're celebrating National Mezcal Day by exploring the amazing range of Bozal Mezcal, and speaking with the man behind it, August Sebastiani. And please note: We shot this in landscape mode so that you can see the beautiful Bozal bottles better. Make sure to turn your phone or tablet when you watch this!

**BOZAL / ENSAMBLE, CENIZO, CASTILLA**
