Bozal mezcal, part of the 3 Badge Beverage portfolio, is introducing Guías de Calabaza, a vegetarian Sacrificio-style mezcal from Río de Ejutla in Oaxaca. A single maguey expression made from 100% Agave Angustifolia (Espadín), Bozal Guías de Calabaza retails at \$99 and carries an abv of 47%. Sacrificio mezcals are made in small batches for personal consumption as well as for fiestas with locals and neighbors. Their distillation often involves meat proteins like pork, chicken, or lamb. 3 Badge says Guías de Calabaza follows traditional sacrificio methods while eschewing the protein addition.
