Led by August Sebastiani, 3 Badge Beverage Corporation's Gericke line of Sonoma wines has a new set of releases. The 2018 Pinot Noir from Sonoma Coast mirrors contemporary winemaking in the area with its 9 months of ageing in 25% New French oak barrels. The Los Carneros Rosé from the Sonoma side of Los Carneros is actually a rosé of pinot noir as it comprises 100% of that grape. The winemaking involves whole-cluster pressing to stainless steel. The Russian River Chardonnay coopered for 9 months in 20% new French oak.

All are ready to be enjoyed today and available from the winery web site.
