

# GUINIGI

## TOSCANA

I.G.T. ROSSO

2017

### TASTING NOTES

A strong ruby red with garnet tinges, this Super Tuscan is intense and dynamic. Powerful aromas of red and black berries are delicately balanced with pleasantly spicy notes. Vibrant and round, this fresh red is characterized by soft tannins and a persistent finish with hints of violet.

### WINEMAKER NOTES

The grapes were sourced from I.G.T. Toscana region, an area including several northern Italian provinces. Characterized by limey-clay soils, a hilly landscape and a continental climate, these vineyards are particularly suitable for the production of quality red wines. Harvested between mid-September and mid-October, the grapes are destemmed and softly pressed before fermentation in stainless steel tanks. After fermentation, the wine is then matured in French oak barrels for at least eighteen months, then subsequently in steel. Once the wine is stabilized, filtered and refined, it is then bottled.

### FOOD PAIRINGS

This wine pairs exceptionally well with Tuscan cured meats, first courses with a hearty ragù meat sauce, or a roasted Cornish hen. It can also be served alongside a tasty cheese board.
