Tasting Notes

Once poured, fresh and lively sensations come to life with aromas of spring flowers, green tea and fresh chamomile intermixed with fresh cut melon and zesty citrus. On the palate, refreshing flavors of white peach, honeydew, cantaloupe, and Meyer lemon are underscored with natural nuances of wild sage, ginger and minerality. A burst of acidity leads to an invigorating finish.

Vintage Notes

The 2021 growing season in Sonoma County was blessed with smoke-free skies and consistent weather, yielding an exceptional vintage. Beginning with cool temperatures in the spring followed by a warm summer without heat waves, the season allowed for the fruit to ripen evenly and gradually, reaching its fullest potential before being pulled off the vine. An early harvest produced grapes with intense, fruit-forward flavors and fresh acidity.

Food Pairings

Enjoy these clean flavors with a wild arugula and goat cheese salad, prosciutto and melon, fish tacos, oysters, or roasted cauliflower.

Growing up in Sonoma, we spent a lot of time exploring the local countryside: finding our way through neighboring vineyards owned by old friends and family. I remember the excitement of discovery and freedom while thoroughly studying our small town and its outskirts. I remember old dusty roads that led to forgotten vineyards and properties... Gehricke is a tribute to one such road.
