Happy December, spirits enthusiasts!

Fittingly, as we are in the final stretch of Hanukkah, we happen to have new spirits announcements to share with you to begin the gifting season.

### **3 Badge Beverage Corp. Introduces Kirk and Sweeney “Burning Mast” Rum**

3 Badge Beverage Corp. has announced the debut of Kirk and Sweeney’s Burning Mast rum from the Dominican Republic.

### 3 BADGE BEVERAGE CORPORATION

Kirk and Sweeney Rum is made from Dominican sugarcane that is processed into grade three blackstrap molasses for fermentation and distillation. The rum is then aged in a variety of American and French oak barrels. Burning Mast is made from a blend of 81% Kirk and Sweeney Reserva rum and 19% Kirk and Sweeney Reserva rum — this latter portion was finished in red pepper barrels for 11-19 days.

Kirk and Sweeney Burning Mast is bottled at 40% ABV.
