Break out the holiday gift list—these exceptional bottles will immediately impress.

There are bottles that will be regifted like a battered fruit cake during the holidays, and then there are these: wine and spirits that deliver the proverbial goods. So, whether it's a holiday housewarming, a gesture of gratitude or a toast to the New Year, the sips below will be remembered throughout the season.

### Bozal Mezcal

Limited-Edition Advent Calendar

A sippable calendar? We're on board. The mezcal brand recently introduced its calendar collection, which includes 24 200 milliliter versions of the label's ceramic bottles with a mix of current and debut mezcal expressions, two proprietary copitas (traditional mezcal drinking vessels) and ceremonial tea lights.
