

## LIAM'S LIST: HALLOWEEN, DRAG BRUNCH & OUTSIDE LANDS

**VPM: 69,479,745**

[illegible]

There is a Mezcal that is hitting all the right notes and recently won my heart and favor on National Mezcal Day. Bozal, owned by Sonoma County native August Sebastiani, is part of 3 Badge Beverage Corporation's spirits portfolio and is produced in Mexico using traditional methods. You'll find this award winning Mezcal in restaurants all over the Bay Area including Calavera on Broadway in Oakland where we recently met.
