*Smooth,
in every sense.*

BENJAMIN CHAPMAN

Smooth in every sense.

This whiskey might possibly be the most tangible connection to Benjamin Chapman that exists today. From what we've been able to gather, this eponymous whiskey exemplifies the refined preferences of one of the world's most intriguing and enigmatic men.

7-YEAR WHISKEY

PRODUCTION Benjamin Chapman is fashioned with a blend of 51% 10-Year Canadian Rye and 49% 7-Year Canadian Prairie Wheat. The rye is distilled by artisans with pure glacial water sourced from the northern Rockies in an old-fashioned pot still for a clean and flavorful profile.

TASTE An invitingly smooth sipper, there is a hint of spice promised from the rye, balanced with silky flavors of white chocolate and crème brûlée from the wheat.

4-YEAR CORN

PRODUCTION Benjamin Chapman 4-Year Corn is fitted with a mash of 80% Corn, 11% Rye and 9% Malt. Sourced and produced in the United States, the water source for distillation is Kentucky Limestone Water which imparts important minerals and acts as a unique filter for the base liquid.

TASTE Delicate and soft on the entry, tropical notes from the aromas are prominent on the velvety palate with baked upside-down pineapple cake.
