Some fathers prefer Martinis to Manhattans, G&Ts to Old Fashioneds so for these dads, a good gin makes a perfect Father's Day present. Here's a round-up of some absolutely aromatic gins to add to your dad's bar cart.

Uncle Val's Botanical Gin

This gin pays tribute to August Sebastiani's late great Uncle Val (Zio Valerio) and the herbal concoctions he distilled from his Tuscan garden. Uncle Val's Botanical features cucumber, lavender, sage, juniper and lemon, which were Uncle Val's favorite flavors to cook with. This smooth gin makes a great gift for both fathers and uncles this Father's Day.
