CABERNET SAUVIGNON

CALIFORNIA

TASTING NOTES

Deep purple in the glass, this Cabernet Sauvignon opens with expressive aromas of ripe plum, black peppercorn, cedar, baking spices, leather, violet, and a subtle touch of toffee. On the palate, bold black cherry and black plum take center stage, supported by a medium body and well-structured tannins. The finish is firm and drying.

WINEMAKER NOTES

The 2023 vintage in Red Hills Lake County delivered optimal conditions for Cabernet Sauvignon, with warm afternoons, volcanic soils, and high-elevation vineyards contributing to concentrated fruit and natural tannin structure. A long growing season allowed for gradual ripening, enhancing depth while preserving freshness. Careful fermentation was used to highlight the wine's dark fruit core and spice-driven aromatics while maintaining a smooth, approachable texture.

FOOD PAIRINGS

This wine's bold fruit and drying finish make it ideal alongside hearty dishes such as grilled ribeye, braised short ribs, rosemary lamb chops, mushroom risotto, or aged cheddar.
